NO CHICAGO-DARTMOUTH FOOTBALL GAME NEXT FALL Coach Stagg of Chicago Says It is

Unlikely Teams Will Meet in 1916. Chicago, Dec. 18.—It is extremely the subject came up. Mr. Moore said, the made it plain that a second game will meet on the gridium next fall, but a game in 1916 is probable, according to a statement made today by Coach A. A. Stagg of the Maroons, "Chicago and Dartmouth will meet on the gridium next fall, but a game in 1916 is probable, according to the plans of the Harvard coaches to a statement made today by Coach A. A. Stagg of the Maroons, "Chicago and Dartmouth he made it plain that a second game could not be played unless it fitted the plans of the Harvard coaches the for the gradual development of the gradual development of the sale was for cash, the football schedule is practically "The football committee has decided amount of which was not amounced."

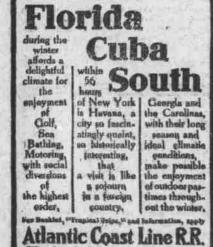

a. A. Stagg of the Maroons, "Chicago's football schedule is practically complete now," he said, "and so it is extremely unlikely a hard game like the one with Dartmouth will be added. Partmouth offered an almost any November date, but its offer came too late to be available before 1916, when the teams probably will get together."

The football committee has decided that a game with Michigan next fall is not advisable and I have so notified Director Bartelme of Michigan," he said.

Tug of War Contest at Y. M. C. A.

The six teams who are competing for the Plant, Cadden one at the Y. M.

McCarthy to Scout For Red Sox. Boston, Dec. 18.—Tom McCarthy of his city will act as a scout for the Boston American League club next season, it was announced today. Carthy was made a free agent by the local National League team for which he performed similar duty last season at was also announced that Patsy Donoven would continue to scout for the Red Sox as in past years.

FINAL GAME FOR BULLETIN CUP

Tie Between Plainfield and Taftville Will be Played Off at Baltic This Afternoon-Many Fans Interested in the Game-Names of Players Announced-Kickoff at 2:30

In what promises to be one of the most interesting soccer football games ever staged in eastern Connecticut will take place this afternoon at Baltic between Taftville and Plainfield of the Mary's team of Jewett City. astern Connecticut Soccer Football ague in the deciding and final game for The Bulletin cup. This game closes the first year of the league, which was formed last February, and all the teams have met with good success save Sterling, which; was forced to quit owing to the lack of support. The other teams, it has been reported, will close the season in good financial condition.

Up to last Saturday it looked as if Taffville were the sure winners, but that every far eseaing and prudent person insures his property against loss by fire should be enough to convince you of the importance of this matter. If het sufficiently insured, better see to fix at once.

.239 and received only 76 bases on balls is a remarkable one and stamps the young New York American third baseman as one of the best base runners the game has ever had.

Tegularly, at an average interval of bending. He married the Princess Marie, daughter of the Duke of Edin-burgh a brother of King Edward VII of England.

General von Hinderburg and American the game has ever had. man as one of the best base runners the game has ever had.

Some Reach to the Height of 30,000 Feet-Quietness of Eruptions.

Frederich von Bernhardt, who has come into worldwide prominence through his book, "Germany and the Next War," was born Nov. 22, 1849, at from 5,000 to nearly 14,000 feet, are only the summits of gigantic mountain masses that rise abruptly from the bottom of the Pacific. Mauna Los, on the island of Hawaii, stands 13,675 feet above sea level, according to the United States Geological Survey, but its slopes descend beneath the sea, as shown by deep-sea soundings, with a grade fully equal to if not greater than that of the visible slopes. The same is generally true of the submarine slopes of the other islands, and the depths attained by these continuous slopes, within 30 to 50 miles of the shores, vary from 14,000 to 19,000 feet. Mauna Loa and Mauna Kea, if their true bases are considered to be at the bottom of the Pacific, are therefore mountains of as great an altitude as Mount Everest, or approximately 30,000 feet. In general rather than that of the reaction and the threat of the threat of the threat of the throne. Physical by he has never been very robust, and he tire and altitude as Mount Everest, or approximately \$3,000 feet. In general rather two reactions are therefore mountains of as great an altitude as Mount Everest of the submarts of a gigantic submarine of a gigantic submarine of a gigantic submarine. or appropriate for the state of summits of a gigantic submarine mountain chain which projects only its loftier peaks and domes above the water. On the Island of Hawaii the volcanic forces are still in operation. The one continuously active volcanic vent of the island is Kilausa, far down on the eastern flank of Mauna Loa—"the great mountain." No other volcano in the world approaches Mauna Loa in the vastness of its mass or in the magnitude of its eruptive peaks higher in the air, but most of them are planted upon elevated platforms, where they appear as mere cones of greater or less size. It is not yet known at what level the base of Mauna Loa is situated, but it is below the sea—probably far below. water. On the island of Hawaii the A Volcano 70 Miles in Diameter.

Mauna Kea—'the white mountain'
—is also a colossus among volcanoes,
Its summit—13,325 feet—is a triffe
higher than that of Mauna Loa, but
its slopes are steeper and its base is
therefore much smaller. The magnitude of Mauna Loa is due chiefly to
the great area of its base, which is
nearly elliptical in shape, with a major
diameter of 74 miles and a minor dismeter of 53 miles, measured at sea ameter of 52 miles, measured at sea
